

The Taryn Power Greendeer Memorial Scholarship

creating one **community** through the arts

Taryn Power Greendeer was born in Los Angeles. Her parents were both actors, and at an early age, she herself followed in her parents' footsteps. She appeared in films with Richard Chamberlain, Jane Seymour, Patrick Wayne and many others. When she settled in the Driftless Area, Taryn gave much of her time and talent to VCT. With this scholarship opportunity, we will honor Taryn's legacy and encourage a life committed to the carrying on of our mission. The Mission of VCT is "To provide an opportunity for dramatic expression in theatre, education and performance, creating one community through the arts.". A \$500 scholarship will be awarded to a graduating senior committed to continued involvement in the performing arts; giving preference to the pursuit of a degree in the performing arts. The scholarship will be awarded after the completion of one semester of post-secondary education.
